

Sydney Catholic Schools

29 January 2020

Dear Parent/Carer

Further to my correspondence yesterday, we now have the benefit of advice from the NSW Departments of Health and Education regarding the current Coronavirus.

The [revised advice](#) recommends that any student who was in China over the past 14 days should not return to school until 14 days from departure from China has elapsed, as the Coronavirus' incubation period can be as long as two weeks.

Students who returned to Australia more than 14 days ago and have shown no symptoms may return to school this week.

Thank you for your support of the health and wellbeing of all members of our school community.

Yours sincerely

Tony Farley
