Dear Parents,

Re: College Band Participation

I am very pleased to see your son has expressed an interest in joining our Band. This letter is to provide you with some information about the band.

| | |
|-----------------|---|
| REHEARSAL TIMES | 2.50 - 4.15pm Wednesdays |
| COMMITMENTS | Occasional weekend band performances, eg: local school fetes, parades. School festivals (weeknight) Band competitions (June) Solo/Duet/Ensemble competitions (optional - May) Band Tour (November) |
| COSTS INVOLVED | \$200 per annum - includes an individual copy of all music, band folder, entry to all competitions (solos and groups), registration in NSW Band Association and bus fares to most performances and school time rehearsals |
| INSTRUMENT HIRE | \$160 per annum (limited numbers available) |

Any cost involved in joining the Band will be included in the school fee statement in Term 2. Please do not forward any money separately.

Students of a beginner level will receive a 1 hour lesson each week and once they have progressed past this stage they will have a group lesson each fortnight. These occur on a rotating cycle so your son will not miss the same lesson too often.

Thank you for your interest and I look forward to seeing you at our performances this year.
