Dear Parents,

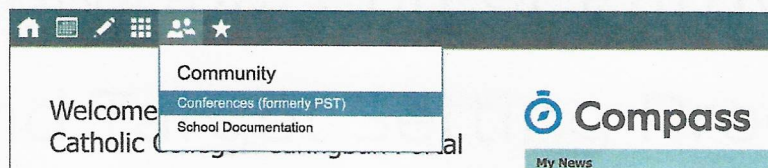

Re: Goal & Target Setting Day - Tuesday, 3 March 2020

The 2020 Goal & Target Setting Day is designed for parents, students and Homeroom teachers to discuss subject goals for 2020. The process requires a 10-minute interview for your son with his Homeroom teacher and a parent.

Date: Tuesday, 3 March 2020
Time: 10-minute session with Homeroom teacher between 8.45am - 4.45pm
Booking: Compass -> CONFERENCES
Uniform: Students must be in full college summer uniform
Required: Laptop

Prior to the Goal & Target Setting interview, it is expected that parents and students read through the Target Setting Information booklet together and complete the preparation activities. Your son should have completed his subject goals and target prior to the interview.

It is the expectation that students attend the interview. If parents cannot attend the interview on this day, alternative arrangements will need to be made by contacting the Homeroom teacher. The Compass parent portal is now open to select an interview time under the CONFERENCES tab.

Immediately following the interview, parents will be required to enter a comment in the 'Question for Parents' section in Compass. If you have any questions relating to the day, please do not hesitate to contact either your son's Pastoral Leader or myself at the college.

Thank you.
