Dear parents,

An excursion has been organised to the University of Wollongong on Tuesday, 18 February (Term 1, Week 4) to experience life as a university student with an interactive workshop designed specifically for Year 10 Language students.

Students will learn from the university's passionate language academics and participate in workshops in Italian. The day will provide students with greater appreciation of how languages can open doors to a variety of careers and university courses. Opportunities will also be provided to further develop Italian language skills through hands on workshops
