Dear Parents,

Re: Changes to school learning environment from 24 March 2020

Following consultation with Sydney Catholic Schools, and in line with NSW government recommendations, parents are encouraged to keep their children home from school until further notice.

Accordingly, from tomorrow all learning at De La Salle Caringbah will be online. Students can access their lesson instructions via their subject pages on Compass.

The college will provide supervision for students who require it. These students will have a normal school day, will need to be in school uniform and will be working from the library, accessing their online learning.

It is very important that all parents who will be sending their sons to school notify the college via this [form](#) today.

During this difficult time, I pray for the safety of you and your families.

Take care.

Mr Peter Buxton
