## **Re: Matilda Musical - postponed**

Dear parents of the Matilda cast,

Due to the Premier's announcement this week encouraging parents to keep their children home from school, all college extra-curricular activities have been suspended until further notice. As you can appreciate, this includes all musical rehearsals for Matilda.

The musical director has asked that cast members use Google Classroom to stay in contact with each other, as well as the following:

- watch the choreography videos which we have posted and rehearse the dances
- look out for more of our video and music posts
- memorise lyrics
- those with lead roles should continue to memorise lines and rehearse the scenes set so far

If students can do the above, when rehearsals resume hopefully they will be able to pick up from where they left off.

I can understand the disappointment your son may feel with this interruption to the rehearsals, however please encourage him to continue to rehearse at home and look forward to the excitement of opening night later in the year.

Thank you again for your support of the college, and please take care of yourself and your family.

Yours sincerely

Mr Peter Buxton  
Principal
