

2 April 2020

Dear Parents,

Re: Term 1, Week 11 (6-9 April) - Staff Development Days

Dear parents,

Thank you for your support as we transitioned to remote learning during these difficult times.

I appreciate the challenges that many parents have had in juggling work and family responsibilities while at the same time supervising your son's learning.

I wish to advise you that the 11 Dioceses of NSW/ACT, in consultation with the NSW Government and Catholic Schools NSW, are implementing Staff Development Days for next week, 6-9 April 2020.

This means from Monday, 6 April we will:

- not be posting new lessons or work for students. This will provide some welcome downtime for students and parents until the start of Term 2
- continue to open our school for those students and families who require supervision and care; and
- continue with our staff to work and plan for your son's quality education when we return after the Easter break.

We are all at the beginning of a massive shift in what we do and how we do it. Through the hard work of our professional teachers, the goodwill of our parents and adaptability of our students, we will get better and better at remote learning and make it work for everyone.

Thank you for all your support, particularly over the past month. We look forward to keeping you updated over the holiday period and to working with you in Term 2, which will begin on 27 April 2020.

Yours sincerely,

Mr Peter Buxton
Principal
