## **Re: Students returning to school - Week 4**

Dear parents,

With the scheduled return of all students back to school next week, I would like to thank you for your support during this remote learning period. We look forward to returning to face to face teaching, however we do ask that if your son has any respiratory issues, or is showing symptoms of a fever, sore throat, or cough that he does not attend school until he is well and cleared of COVID-19 by a doctor.

As there is no Friday sport for Weeks 4 and 5, students will be dismissed at 12.05pm on these two days. They will be expected to go home and participate in a one-hour exercise program set by our Leader of Sport, Mr Devlin.

The below points will be discussed with all students to prepare themselves for a positive, productive and smooth return to classes.

- The canteen will be open daily
- The correct winter uniform is to be worn
- Hair, grooming and uniform is to be of the highest standard
- Good personal hygiene practices are essential, especially hand washing
- Students are to use hand sanitizer provided or they may bring their own
- Equipment for every lesson needs to be packed and brought to school
- Students are to bring their diary every day
- Goals and targets need to be written in Compass
- Students are to comply with the Phone Pouch Policy
- Students are to follow the Hands-Off Policy
- Students who arrive late must present to the front office via the main yard gates

Thank you.

Mr Dominic Ritchie  
Assistant Principal
