

11 September 2020

Dear Parents,

RE: De La Day - Friday, 25 September 2020

Next Friday, our college community will come together to celebrate De La Day; a day to recognise and remember the life and works of our college patron, St John Baptist De la Salle. This is a compulsory day of attendance for all students, with boys to wear their college sports uniform.

Due to COVID-19 restrictions, the usual founder's day celebrations have needed to be modified.

SCHEDULE

1. Students will be in classrooms to view the live streamed Mass and Lasallian Awards
2. RECESS
3. Students will engage in modified activities throughout the day in class groups
4. LUNCH
5. Friday afternoon sport

As part of celebrations, each year the college raises money for charity. In previous years, thanks to the generosity of our school and the wider community, we have been able to donate significant funds to the Lasallian Foundation mission to support our sister school in Pakistan. This year, we are asking all students to contribute a \$2 donation.

Prior to the day, students can also pre-order a pizza. Slushies will be sold by the canteen on the day itself. There are also fundraising initiatives prior to the day, which we encourage your son to be a part of. Your son can find all these details via Compass.

We look forward to this wonderful day of celebration.

Yours faithfully,

Ms Angela Porro
Leader of Religious Education
